ЗАВОД ЗА ПРОУЧАВАЊЕ КУЛТУРНОГ РАЗВИТКА

РЕПУБЛИКА СРБИЈА

- During its more than 50 years of existence, CSCD has realised a large number of projects. From the beginning, in dedicated cooperation with relevant national and international partners, it has continually developed specific areas of inquiry.

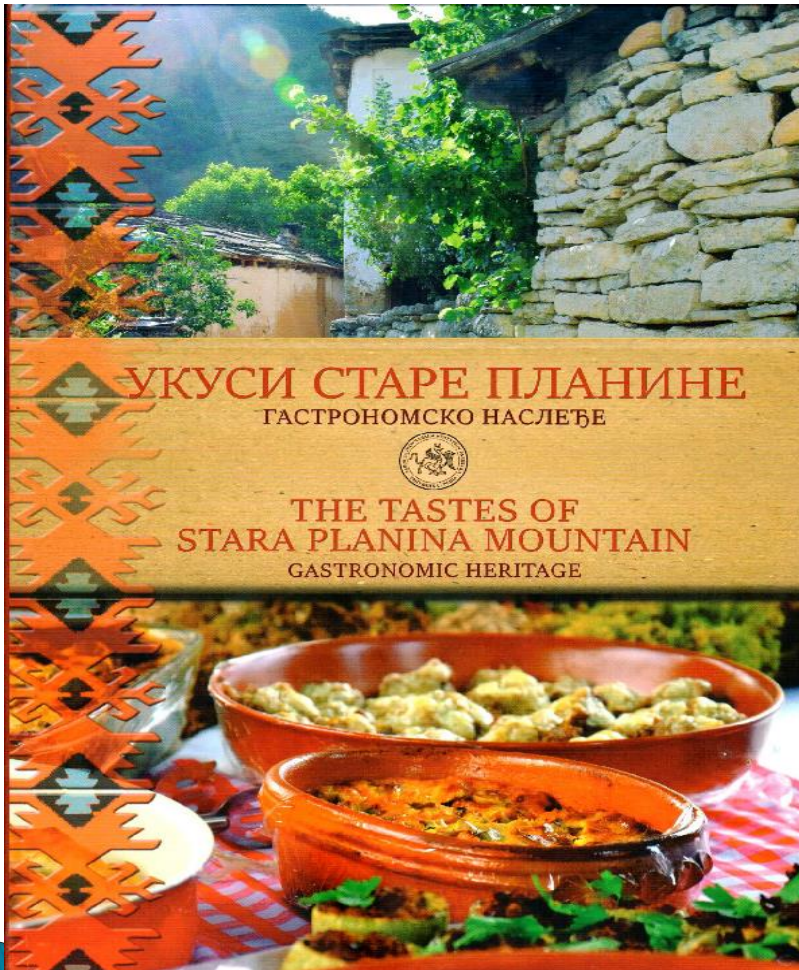

Intangible cultural heritage in Serbia

- ▶ Intangible cultural heritage is what makes a culture diverse. Through oral tradition, language, performance art, social practice, rituals and holidays people expressed their creativity, knowledge, skill and spirit. By honoring and transferring this “live cultural heritage” we protect that which evokes the identity and continuity of a nation, our history, culture and tradition.

Our activities in field of ICH
