COLLECTION OF PERSONAL CULTURAL TREASURES

CODANEC is an international project, in which individuals and groups from the Danube countries are invited to participate. The focus is on the questions:

What are the personal intangible cultural treasures in the various Danube countries?

What is your personal intangible cultural treasure that you would like to preserve and which you would like to present to your European neighbours?

JOIN IN! PRESENT YOUR PERSONAL CULTURAL TREASURE!

It can be a craft, a culinary speciality from your region, a dance, a custom or a value that is important to you.

Do you need inspiration? You can find examples on our website www.codanec.eu

Send form A with your text in your mother tongue and in English and a photo of your cultural treasure to info@ileu.net.
